Your Excellency,

On behalf of the Jewish community of Australia, I would like to convey our deepest sorrow at the terrible loss of life which the people of India have suffered in recent days.

As a community whose people have endured generations of racism and persecution, we identify strongly with the pain and heartache which your government, your nation and your people are currently experiencing.

Today, we are all Indians. We stand with you in your hour of darkness and your time of need, and we extend our heartfelt condolences to the people of India.

We join with you in praying for the day when terrorism is no more, when war will be consigned to history and when differences between people will be resolved through dialogue.

Yours sincerely

Robert Goot AM, SC

President
