

The Death of Aiiia Maasarwe

(Communicated by Embassy Spokesperson Eman Amasha)

17 January 2019

With deep sadness we confirm that the body of Aiiia Maasarwe, an Israeli citizen, was found in Melbourne on Wednesday.

The Australian authorities are currently investigating the circumstances of her death. We have complete faith in the Victorian Police and have no doubt that they will leave no stone unturned in the search to bring the perpetrator to justice.

We express our heartfelt condolences to Aiiia's family and stand ready to support them during this time as our Consul works to return her body home to Israel for burial.
