

## ANNEXURE B

### **Written Apology to the Jewish Community signed by Sunnah Foundation**

On behalf of Sunnah Foundation, and Masjid As-Sunnah (MAS) Lakemba Mosque, we sincerely apologise to Mr. Peter Wertheim, Mr. Robert Goot, and the Jewish community in Australia for the publication of a speech on the MAS Facebook page.

On or around 22 December 2023, Sheikh Ahmad Zed delivered a speech titled "The Truth of the Jews and Their Characteristics" at Masjid As-Sunnah, which was posted on our Facebook page. This speech was in Arabic and included both Islamic teachings and Sheikh Ahmad Zed's personal opinions.

We fully acknowledge that the comments about Jewish people (as distinct from the comments about the Israeli military and government) were not only inappropriate but can also breach Australian laws and offend, insult, humiliate, or intimidate Jewish Australians, and we deeply regret that the speech was published on the MAS Facebook page. The speech was removed as soon as we became aware of the concern.

Sunnah Foundation and Masjid As-Sunnah remain committed to the principles of equal worth and dignity before the law and combatting dehumanisation of any people based on race or religion before the law.

Signed for and on behalf of **SUNNAH  
FOUNDATION AUSTRALIA LIMITED**
